

“Word of mouth is the best medium of all”

William (Bill) Bernbach

As we all know a peer’s recommendation for catering is the best recommendation of all. To follow is just some of the great feedback we have had from our clients.

“I just wanted to send you a quick email to say a huge thank-you to you and your dedicated team for your assistance with our event this week at the State Library of Queensland.

As promised the selection of foods you provided was just perfect for our event,received numerous comments from attendees on how wonderful the catering was.

I would also like to thank your ever helpful, approachable and polite team for all their assistance over the 2 days. It was so comforting to know that the level of service being provided was of such a high level.

Thank-you again for providing flawless service and delicious food, and assisting us to deliver a successful and enjoyable event.”

“I would like to congratulate you and your team on the quality of your catering and service.

I have been dealing with Ab.Fab catering for approximately 5 years and have always found the quality of the food to be consistent... which is important, I feel, when I'm recommending and ordering on behalf of someone else... I can do it with complete confidence. Whenever I've catered for an event, I can honestly say that people go out of their way to comment on the food and ask who the caterer was. The variety and style of the food has been of interest and commented on as well!

Keep up the good work... I look forward to more of it.”

"Thank you and your team for the great food and service this morning! You have made the Dean a very happy man, which is always a good thing in my book.

Our formal feedback forms have 100% on 'Fantastic' for catering as well and I've received a few emails from guests who have mentioned they will definitely consider AbFab for their own catering needs"

"Thank you so much for a fantastic job on Saturday. The food was fantastic and everyone was well fed. I have had a guest ask if you make the relish that was served or if she can buy it, she thought it was amazing."

"I just wanted to thank your team for the service they provided at our party on the 2nd Oct. Everyone commented on the quality of the food, the politeness of the staff and their willingness to ensure everyone was fed, watered and enjoying themselves. One my part, I hardly saw them, they were so efficient! I would have no hesitation in recommending Abfab to others."

"Thank-you for the fantastic catering for my 40th birthday on Saturday night. Both Helen & Yvonne were great – very unobtrusive & professional. Our guests really enjoyed the delicious food (and I'm sure our neighbours were jealous of the beautiful aromas wafting over the fences!). We received many compliments on both the quality of the food and the presentation.

My plan for the night was to stay out of the kitchen & enjoy the company of my guests – your wonderful catering enabled me to do just that – I look forward to the next occasion when we will engage you to cater again."

"Thanks so much for the wonderful food last week for the Queensland Health forum – the delegates absolutely loved it. You did a great job, particularly at the dinner.

The service and support you gave me was brilliant. Thanks and you know I will be using you again!"

Thanks,

"Thank you for your wonderful food and coffee at the QETA Conference today up in Briso. We had some excellent speakers but after Morning Tea I was looking forward with anticipation to your lunch ...and then Afternoon Tea was another menu of delightful food!

Well done to you and a BIG THANKS to your service staff today for their polite and subliminal service.

Your staff were excellent with their service and concern for the special needs of some delegates.

As for me ...WOW ! If that is conference food, sign me up for life attendance (and on a Saturday!)

Look forward to attending another one of your catered events. I am located on the Gold Coast and will certainly seek you out for any events i have down this way...do you go as far as The Gold Coast?

Thanks again."
